The young sport

## ANYWHERE - ANYTIME

Speedminton® presents a new sport to the world: Speed Badminton! Simple rules make this sport interesting for both leisure and competitive players - for everyone who can hold a racket!

## Conquer the world

Invented in Kreuzberg, Berlin the recyclable Speeders made in Germany have inspired over 3 million players worldwide.

## No Net - No Limits

Play wherever you want: in the gym, in a park, at the beach. Without a net you can just play and have fun. The sky is the only limit.

## Fun and Fitness

Recreation or competition: Speed Badminton is a game without limits. It is the ultimate workout and has a positive influence on the cardiovascular system. With great fun you will train your abs and muscles in arms, legs and bottom while burning up to 620 calories per hour.

Anytime - Anywhere
